Client News

October 1, 2026

Gunderson Dettmer represented Andreessen Horowitz as a lead investor in Armadin's Series B financing.

Armadin is building the autonomous security platform defenders need for the AI era. The new financing will help the company advance and scale that platform, beginning with Armadin Red, its red-teaming platform that simulates real-world cyberattacks to help security teams identify, validate and remediate exploitable attack paths.

The Gunderson deal team was led by Jeff Stricker and included David Styles, Shawna Reeder, Jaime Lacson, Su Li, and Sarah Syed.
